I am creative, efficient, relentless, optimistic and a Pivot Master!

My connections are vast and my resourcefulness is never ending.

I have worked and traveled extensively worldwide and am available to travel anywhere on a moment's notice.

I speak Swedish, English, Norwegian, some French, some Spanish.

I work as "local/local with a ticket" in Los Angeles, Barcelona, Oslo, Gothenburg, Smögen and other cities. I am available to Produce anything, anywhere, and also to fix, fill in, EP, pre-scout or anything remote, creative and /or production related that might be needed.

Always with a SMILE!

Happy to provide references from EPs, Directors, Agency Producers.
